IAMA Student Resume Book

September 2007

International Food and Agribusiness Management Association

STUDENT RESUME BOOK

September 2007

Dear IAMA Industry and Academic Members:

We are delighted to announce the second issue of the IAMA Student Resume Book.

If you are a new member IAMA, please notice that the purpose of the Student Resume Book is to help a talented and highly diverse group of IAMA student members connect with our members in private industry, academia, and government to help them find employment opportunities. Student resumes are sorted by the family name from A-Z, and contain a profile of personal preferences in regards to: job sectors; geographical locations; and major areas of study. The Book is published twice a year (March and September) and forwarded to IAMA corporate and institutional members to share with their hiring departments and managers. In order to ensure that the Student Resume Book gets to the hiring manager or appropriate person and department in your organization, please provide us with a contact person and email address or feel free to forward the book to them.

You can find the Resume Book in the member's section of our website at www.ifama.org by following the link to *Resume Posting*.

Should you have any questions or comments, do not hesitate to contact me.

Thank you and best regards,

A handwritten signature in black ink that reads "Belen Frers". The signature is written in a cursive, flowing style.

Belen Frers
Events Coordinator

RESUME

LANGUAGES

- English

OBJECTIVE

Efficient, intelligent, hard-working with proven leadership capabilities. Strong written communications and public relations experience. In search of a competitive environment with an opportunity to contribute positively in a team-oriented atmosphere.

EDUCATION

Aug. 2006 – Present **Purdue University**
 Major: Agricultural Economics, M.Sc.
 Expected graduation date: May 2008

Aug. 2002 – May 2006 **Colorado State University**
 BSc. Double Major
 Major: Agricultural Business, Animal Science

PROFESSIONAL EXPERIENCE

Aug. 2006 – Present **Purdue University**
Research Assistant
 Working collaboratively with Dr. Philip Paarlberg in the Department of Agricultural Economics. Research focus is on animal disease and trade impacts and a thesis project.

May – August 2007 **Monsanto Company**
Animal Ag Marketing Intern
 Served as a lead on the E-Marketing Strategy Team, Editorial Board, and Event Planning teams.

Completed marketing projects for Dairy division and affiliates, including advertisements, newsletters, flyers, and event coordination. As third-year intern, I was an integral part of business functions and able to practice leadership and teamwork in a very intellectually challenging environment.

May – August 2006

Monsanto Company

Marketing Intern

Worked with a major agricultural agency (Osborn & Barr) to launch and oversee an advertising program that allowed Monsanto Trait Licensees to advertise field days in respective state newspapers and receive giveaways for their attendees. Helped plan tradeshow events to launch a new product (Roundup Ready Alfalfa). Attended tradeshow events to promote marketing messages and collateral, get feedback from field representatives on brand messaging effectiveness, and promote the Monsanto Trait brands. The internship also provided a great introduction into corporate culture and office etiquette.

May – August 2005

Monsanto Company

Field Marketing Intern

Travelled to corn and soybean farms in Kansas, Texas, and Colorado to discuss issues and concerns with producers in the region. Responsibilities included making recommendations to Monsanto's marketing group for increased market share. Gained sales exposure through working with local field representatives, self-starting skills through working in a remote location, time management, and goal achievement. Learned the value of creative thinking in surveying and in finding feasible solutions to marketing issues.

AWARDS

<i>2006</i>	Cum Laude Graduate; Colorado State University
<i>April 2006</i>	Senior Leadership Achievement Award; Colorado State University
<i>March 2006</i>	Western Food Marketing Competition (Pasadena, CA); Top 5
<i>2004</i>	Douglas County Fair and Rodeo Queen (Castle Rock, CO)

RESUME

LANGUAGES

- English
- Some conversational Chinese

SUMMARY

I would like to obtain a position within a company vested in food marketing, food manufacturing, or supermarkets. I can contribute my past work experiences to best serve in this dynamic industry for which I have developed a deep rooted passion.

EDUCATION

- 2006 – Present **Purdue University**
 MS. Major: Agricultural Economics
 Expected graduation date: 2008
- 2001 – 2005 **Texas A&M University**
 BS Major: Agricultural Business and Agricultural Development
- 2006 **Beijing Cultural and Language University**
 Chinese Business and Language Certificate Program

PROFESSIONAL EXPERIENCE

- May 2005 – Aug. 2005 **Royal Halal, Private Limited -- Singapore**
 University Instructor
 Conducted feasibility studies for expansion within Singapore & the United States.

Recommended strategies for improving performance measures at six restaurants in Singapore
International trade and government regulations, Islamic dietary restrictions

- May – Aug. 2004* **Tyson Foods, Incorporated, Monroe, North Carolina**
Quality Assurance Intern
Prepared presentations for internal, external, & animal welfare audits, Facilitated communication for USDA & Tyson concerning NRs, Tested for E-coli, Salmonella, moisture retention, & shelf-life, Microbiological lab testing, HAACP, & food safety.
- Aug 2002 – Dec. 2005* **Texas A&M Residence Life**
Resident Advisor, Front Desk Staff, Tour Guide
Live-In advisor of housing for 300 Students, Established community environment by designing educational, recreational, social, & diversity programming. Training: diversity, risk management, conflict management, event planning, confidentiality.
- May 2002 – Aug. 2002* **Texas Cooperative Extension Service: Texas 4-H Center**
Program Assistant: Archery Supervisor
Developed action plans for safety, maintenance, inventory, lesson plans, & supervision of firing range. Impacted 1000+ Youth through developing & implementing educational & recreational programming. Training: Risk Management CPR, First Aide, Ages & Stages.

AWARDS

- June 2007* IAMA Student Grant Recipient and participant in Student Case Competition in Parma, Italy
May 2007 and Food Marketing Institute Delegate for Texas A&M 2005 and Purdue 2007: Chicago, Illinois:
May 2005 Interviewed food manufacturing and supermarket teams about promotional strategies
May 2005 Brown-Rudder Nominee: Top two students of College of Ag & Life Sciences, Top 15 Class of 2005
November 2005 China-US Conference on Trade, Research, & Diplomacy: 15 USA College Student representatives at US-Chinese diplomat roundtable discussions in Beijing
December 2004 Eisenhower Leadership Development Program Scholar: 20 College of Ag & Life Science Students to perform Consultant work for Texas A&M Entomology
October 2004 Produce Marketing Association “Fresh Summit” delegate: Represented Texas A&M at international “Fresh Summit” educational conference in California

SCIENTIFIC PUBLICATIONS, BOOKS & PRESENTATIONS

- Thesis** = In progress. Ethanol byproducts (DDGS) use in Pork Production and its affect on Pork Meat Quality and Farm Impacts

ADDITIONAL COMMENTS

I have had many International Study Abroad opportunities where I have had the opportunity to see the Food Chain in Process. I have been able to study in Vietnam, Singapore, China, Japan, Thailand, Indonesia, Malaysia, Italy, & Brazil.

OBJECTIVE

My objective is to learn more about Marketing ad business in order to gain competency on various fields and aspects of Marketing which can be applicable to real life problems in that area. I want to join an organization where I can use my potential and get some challenging work to do nd to grow with and within the organization.

EDUCATION

Aug. 2006 – Present **Indian Institute of Management**
 Major: Agricultural Economics, M.Sc.
 Expected graduation date: March 2008

Aug. 2002 – May 2006 **Devi Ahilya University**
 M.Sc
 Major: Biotechnology

2000 – May 2003 **MVM College**
 B.Sc
 Major: Microbiology, Zoology and Chemistry

PROFESSIONAL EXPERIENCE

June 2004 **Central Jalma Institute for Leprosy and other Mycobacterial Diseases (CJILMD), Agra (U.P)**
Summer Trainee
 Orientation on various microbiology and molecular biology techniques. Technical studies on electron microscopy, sterilization and molecular biology techniques.

June – July 2002

Indian Institute of Soil Science, Bhopal (M.P)

Summer Trainee

Examined water samples checking their viability/safety for drinking purpose. Project required teamwork, organizational skills and timeliness.

AWARDS

2002	1st place, skit competition, at annual school festival
2001-2002	1st place, Quiz Competition-Diverse Interest Committee”
2002	2nd place, Inter University Seminar, “Physical Methods of Sterilization”
1999, 2003, 2005	1st place from ‘Jain Samaaj’ in post graduation

SCIENTIFIC PUBLICATIONS, BOOKS & PRESENTATIONS

Unpublished Research Reports = 1

Papers Presented Internationally = 1

ADDITIONAL COMMENTS

Tarang 2004-School of Biotechnology, DAVV, Indore

- Founder and Coordinator, Tarang - 04, an annual festival in the School of Biotechnology
- Responsible for arranging sponsorships for the first time.
- Led a team of 15 students for different activities under this event

President Cultural Committee of College (2001-2002) Graduation

- Led several teams while organizing various cultural and academic events.
- Role included coordinating between faculty and student body for the event.

President of the Sports Committee of college during post graduation. For the first time Inter College sports events were organized during my tenure.

Class Representative for 60 students during undergrad college. Coordinator between students and faculty.

Team Leader of a group of people that lead many literacy campaigns and activities as a member on an NGO, “jeevodaya”, dedicated to the rehabilitation of poor children and destitute.

SUMMARY

Experience in organizing group activities which facilitate team spirit
 Resourceful, innovative and creativity gained through research experiences
 Good communication skills acquired as an instructor, researcher and paper presenter
 Leadership gained through managing research teams.
 Experienced project manager and use of logistics
 Quality control experience
 Equipped in microbiological analysis and preservation
 Basic knowledge of statistical analysis applications (SPSS);
 Basic knowledge of graphic design applications

EDUCATION

1999 – 2004 **University of the Philippines in Mindanao**
 Philippines
 BSc in Food Technology

PROFESSIONAL EXPERIENCE

2004 – 2006

University of the Philippines in Mindanao

University Instructor

- Teaching of Inorganic Chemistry, Fruits and Vegetable Processing, Sensory Evaluation of Food Products, Food Sanitation and Hygiene and Food Processing Management to classes of varying sizes; and advising BSc Food Technology students in their academics and other concerns.
- Research: “The Efficacy of Glycerol, a By-product of Coconut Methyl Ester on the Viability and Characteristics of Microbial Cultures”
- Involvements in decision-making of issues in the college and university as member of the college executive committee
- Organizes socio-cultural activities for students, faculty and staff and actively participates on the Research, Development, and Extension Committee.

2003 – 2004

University of the Philippines in Mindanao

University Research Associate • Proposed university funded research entitled, “The Efficacy of Glycerol, a By-product of Coconut

Methyl Ester on the Viability and Characteristics of Microbial Cultures.”

- Involvement in the multidisciplinary research entitled, “Improving the Efficiency of the Agribusiness Supply Chain and Quality Management of Small Agricultural Producers in Mindanao” as a collaborative study of Curtin University in Australia, SEAMEO Southeast Asia Regional Centre for Graduate Studies and Research in Agriculture and the University of the Philippines in Mindanao
- Processing and analysis of crop production data gathered from a survey of farm production in Kapatagan, Digos, Davao del Sur in the year 2000
- Presentation of research papers and posters in seminars
- Active participation in the organization of seminars, workshops and conferences spearheaded by the research team.

OBJECTIVE

As an ultimate professional goal, to obtain a managerial position in a food-agribusiness organization (for-profit or non-for-profit) capable of providing me with the opportunity to work internationally with areas of emphasis on international business, trade, marketing and communications, as well as project development.

EDUCATION

Aug. 2005 – Dec. 2007 **University of Nebraska-Lincoln**
 Masters - MBA
 Major: Ag Business

1999 – 2004 **Pontificia Universidad Catolica Argentina - Rosario**
 Bachelor Major: Accounting

PROFESSIONAL EXPERIENCE

April 2006 – Present **Nebraska Department of Agriculture - Lincoln, Nebr**
 International Trade Representative & Public Communication Assistant

Organization, coordination and execution of international promotional events for Nebraska agricultural products. Projects include beef cattle genetics and related industries targeting Latin America. Led three major trade missions with Argentina and Mexico. Contributed to minor projects with European and Asian countries involving a wide range of Ag products. Assisted the Public Information Office with the organization and coordination of the Annual Governor's Ag Conference 2007.

Jan. 2004 – Jan. 2005 **Kruguer S.A., Ciudad de Buenos Aires, Argentina**
Tax Division Assistant
Tax declaration preparation and financial analysis involving national taxes.

Feb – July 2003 **Vidaurreta & Asociados - Venado Tuerto, Argentina**
Administrative duties. Computer processing of customer operations and accounting data.

AWARDS

Nov. 2006 Ag Business Graduate Assistantship - University of Nebraska-Lincoln

ADDITIONAL COMMENTS

International: Dual Citizenship: Argentine Republic and Republic of Croatia.
Graduate Study Abroad Program – Pan Pacific Tour 2006
Japan, China and South Korea – University of Nebraska-Lincoln

Affiliations

2006-2007 Student Member, International Food and Agriculture Management Association
2007 President, Specialized Ag-business MBA Student Association – SAMBA

Professional Interests: Bio-fuels; Environmental responsibility and policy development in Latin America

Personal Interests: Travel and cultural experiences.

RESUME

LANGUAGES

- English
- Spanish – Basic

OBJECTIVE

Seeking employment in a challenging industry that utilizes my writing and analytical skills to solve problems and contribute to the agricultural field. The ideal career will be varied in scope, offer opportunities for advancement, and offer feedback on my performance. Relocation and/or frequent travel are acceptable options.

EDUCATION

August 2006 – Present **New Mexico State University, Las Cruces, NM, USA**
 Masters of Business Administration, Agribusiness specialty
Expected graduation date: December 2007

Aug. 2002 – May 2006 **Montana State University**
 Bachelor of Science, Agricultural Business
 Minor: Animal Science

PROFESSIONAL EXPERIENCE

Aug. 2006 – Present **New Mexico State Agricultural Economics, Las Cruces, NM**
Graduate Research Assistant
 Analyzed data and created economic models using SAS and Excel. Drafted a variety of publications (available on request). Current topics include: a feasibility study of a marketing order in

the local chile pepper industry. a case study discussing variations in the popularity of local farmers' markets; a manuscript investigating sale decisions at a regional bull sale and research examining how feeder cattle prices are affected by breed type.

June 2004 – Present

Montana State University, Dept. of Animal & Range Science

Graduate Research Assistant

Collaborated with Dr. Bret Olson to design a study in a research project funded by Montana State University's Undergraduate Scholars Program. Supervised two undergraduate students attempting to enhance the consumption of spotted knapweed by cattle.

Managed all aspects of the project's execution, including livestock care, plant and data collection, and summary and presentation of principal results. Presented results at the annual Society of Range Management conference and submitted a thesis-style paper on findings, which became the basis for two manuscripts.

Sept – December 2005

Montana State University, Dept. of Agricultural Economics

Research Aid

Studied the effect of race on ranchers' livestock marketing strategies in Montana with Dr. Vince Smith and Dr. Randy Rucker, Agricultural Economics professors, Montana State University. Created database for survey input and summarized results using Microsoft Access and Excel.

AWARDS

Sept. 2005

Undergraduate Scholars Program funding recipient, 2005-2006 academic year

Sept. 2003

Undergraduate Scholars Program funding recipient, 2003-2004 academic year

May 2002

Red Angus Association of America Lee Lorenzen Scholarship recipient
