Call for Papers

18th International European Forum (*Igls-Forum*) on System Dynamics and Innovation in Food Networks

February 12-16, 2024 - Garmisch-Partenkirchen, Germany
www.fooddynamics.org

IGLS-FORUM Series

Innovative format for presentations and extended discussions

A joint initiative by agri-food groups of leading European and international universities and business schools providing a discussion platform for the European and international scientific community,

The Forum invites an international scientific audience from **management, economics, engineering, marketing, policy, sociology, social psychology, information management, system modeling, and any other scientific field** with interest in the subject to submit proposals for presentations and to participate in discussions on the global challenge for innovation and system dynamics in food systems.

- > **Participation fee is 480 Euros for members of any of the supporting organizations.**
- > Non-members will be charged a membership fee for an organization of their choice. The fee covers registration, coffee breaks, a welcome reception, and the conference dinner, accommodation is not included.
- > **Submission of presentation proposals** is through the provision of an abstract of not more than 500 words in English by October 13, 2023 as email to fooddynamics@uni-bonn.de. Authors will be notified by October 31, 2023 on paper acceptance and conference organization. **Submission counts as pre-registration.**
- > **Participation without paper:** Pre-registration is by informal e-mail to the organizers by October 13 through fooddynamics@uni-bonn.de.
- > Due to limitations in participation, acceptance of final registration for participation is due to prior acceptance of a paper or a pre-registration by October 13.

Abstract submission and pre-registration:

October 13, 2023

Notification of acceptance:

October 31, 2023

Final registration for pre-registered participants and payment of fees:

January 19, 2024

Scientific program organization of Forum 2024:

Intern. Center for Food Chain and Network Research, Univ. of Bonn
coordinated by Prof. Dr. Gerhard Schiefer and Dr. Jivka Deiters
