INSTRUCTIONS

Individuals applying to participate in the Student Case Competition will be paired with other unaffiliated individuals to form an International team. After applying, you will receive a confirmation email and further information about how to connect with your team mates.

Please complete and submit this application form and *please take extra care to be sure the names are spelled correctly.*

Individual applicants *must* be an active IFAMA member. If you are not currently a member, we are offering a FREE 1-year membership to all students, graduates, and early career professionals who submit this applications before 20 March 2023.

Alternatively, if you submit your application after 20 March 2023, you may easily join IFAMA by following this link: www.ifama.org/join-now

Unaffiliated early career professionals must list a sponsoring institution or company.

Please upload this application to ifama.submittable.com/submit
