GET STARTED—
IFAMA members will receive an email with a link to download the app. Click the link, enter the same email that was used to send you your invitation. Create a password for the app. Agree to “Terms and Conditions,” and select “Become a member.”

CREATE PROFILE
Fill out the eight profile questions and add your photo. Members can search for people by name, organization/university/company, and country. Be sure to complete these fields so your colleagues can find you.

YOU'RE IN!
You’ll see this screen when you launch the app. You can access the app on either your phone or your computer, using the password you set when you joined. In your phone Settings, you can select to receive notifications when content is posted to one of your groups.

JOIN RELEVANT GROUPS
Are you a student? Want to connect to members in your region? Looking for a Book Club? From Home (bottom left icon), click “Join a Group”. Select your Groups. All messages that are posted by members of your selected groups will be seen in your “My Feed” folder.

POST
Have a question? Want to collaborate? Want to share an interesting article or study? Have a job to post? Need to promote an upcoming event? Want to connect with someone you met at the conference?

From Home, click on “My Feed” and click the green + sign in the lower right. (Toggle to the group in which you want to post at the top, to the right of your photo). Type your post. You can add or take a photo, or add a gif or hashtag. To post, click the green “Post” at the top right.
CONNECT WITH COLLEAGUES
From Home, click on “My Feed”. Click on the search icon (top right corner). Type a name, country, or interest. Relevant matches will appear. Select a person and click on the green “connect” button to connect and start a conversation.

MY FEED
Here you will see posts from your groups. From Home, select “My Feed.” “My Groups” appear on the top, and you can scroll to the right to see more groups. Click on a group to see the feed for just that group. Activity Feed shows posts in all of your groups.

POST A JOB
From Home, select “Job Opportunities.” Click the green + sign to create a new post. Please include job title, company/institution, application deadline, a link to the full job description, and a contact email. Then select “Post,” top right.

POST AN EVENT
From Home, select “Events.” Click the green + sign to create a new post. Please include event details and a link to more information or registration. You might want to post also in the regional group where the event will happen.

SHARE – LIKE – COMMENT
Just like other social platforms, you can click on any post and add your comment or question, give a thumbs up, or share the post. Click on the post and look for Icons for these responses at the bottom of the post.

SEARCH IFAMR
You have a wealth of the latest peer-reviewed research at your fingertips. From Home, click on the IFAMR folder. Click on search icon (top right) and search by keyword, topic, author, or title by typing in the search bar in the orange box at top.
