

# STUDENT CASE COMPETITION

In its tenth year, the International Student Case Competition has become a capstone event for IFAMA, offering students a rare venue to demonstrate their analytical and problem-solving skills before a panel of senior management judges. The competition also provides universities a global stage to showcase the next generation of business leaders in the ag sector. This year, we have twenty teams competing from institutions in Africa, Europe, North America and Oceania.

The competition begins with a preliminary round on Monday, June 15. The teams are given a “real world” challenge in the form of a case study. Teams have four hours to analyze the problem, formulate a solution and develop a presentation. Each team delivers their oral presentation to a panel of three judges. Four of the twenty teams will be selected to advance into a final phase of competition occurring on Tuesday, June 16, 8:30 - 10:45 am.

Please join us for the final phase of the competition as the advancing teams present their solutions to a new panel of judges. The winners will be honored at the Presidential Awards Reception and Dinner on Tuesday, June 16, 6:00 - 9:00 pm.
